Comfortable stay

The Havelock combines modern amenities with old world charm and sanctuary. Holiday families and business travellers alike find the Havelock a perfectly placed retreat from where they can enjoy Jersey.

Situated at Havre Des Pas beach front we enjoy stunning views overlooking the beach. This is the only area in Jersey so close to the beach and 5 minutes walk from the high street. This convenience is also married with restaurants of French, Sea Food, Thai, Portuguese and Jersey cuisine in the immediate area.

The beach and the free lido, developed at the turn of the millennium at great expense, combines golden sand and beautiful sea with the option of life guarded swimming.

The lit beach promenade follows the coast and stretches away from the main road for half a mile.

Modern rooms

Having been carefully restored and modernised this listed building has undergone 20 years of restorations. Modern fixtures and fittings, satellite TV and internet WIFI connections.

There is also a pair of special inter-connected rooms for families. Contact us directly to check for availability and early booking discounts.

“Thank You for accommodating us last week, we had an excellent time. The sea view balcony was much appreciated, and on Thursday evening we saw a rather spectacular sunset over the sea.”

Jersey life

Jersey enjoys an ever warmer climate with Summer temperatures ranging from 25°C to 34°C. People are seen wearing shorts right into October!

Shopping from Versace to M&S, ultra-modern bars, cafes and chic-clubs. St Helier is a city on an island.

Food from Michelin star to excellent Pub grub there's too much to choose from. Out of Summer

most establishments take part in the www.tennerfest.com restaurant discount.

Stunning meadows to coves and tiny fishing villages all waiting to be discovered amongst the net of country lanes that take those in

healthier pursuits through to the valleys, cliff walks and marine sports.

From the rich and famous to those in need of simple serenity, many just keep coming back.
